Prayer

Lord Jesus, because of You I am the righteousness of God. I am a citizen in God's Kingdom.

In Jesus' name, I renounce all occult or satanic contracts and agreements known and unknown that I have made with the enemy. If I have had any contact with occult objects, I commit myself to destroying them. I take authority over all curses that have been spoken over my life. I renounce and lose myself from every demonic dedication placed upon me.

With the blood of Jesus Christ and the finished work of the cross, I uproot all tormenting and scorning spirits that have implanted themselves in my mind and thoughts. I will not entertain, I will not listen to and I will not obey the lies of the enemy. I speak to my mind to be whole, healed and delivered out of the enemy's hands.

I stand against the spirit of fear that is trying to operate in my life. I refuse to accept and operate in fear. I uproot it, in the name of Jesus.

I cancel all of Satan's plans against me. I declare and decree that I turn back every negative arrow that is against me and send it to the enemy's camp, in Jesus' name.

Holy Spirit, I ask You to equip me with spiritual wisdom. I pray that God's supernatural knowledge of His truth be engrafted into my spirit and my heart. I pray that I will fulfill my life's purpose, with no hindrances or delays, in Jesus' name.

Today, I declare and decree that I am a champion in Jesus Christ, Amen.
