

I came across this packet someone had made and wanted to share it with you. The packet contents were reproduced. I thought of you and all the pain and suffering you are facing or will in days to come. I had much wrenching in my soul. I so wished you did not have to go through this. However, there is good news. I am sending this information forward because there is peace and hope for you, but you need to follow God's plan; you need to believe him. Let us look at what I knew before I went missing. For many years I was told about this future event; the earth would be in great turmoil. Pain and suffering were prophesied to be the worst in all the world's history. We did not know when it would happen. We know now. **Now You Know.**

A few verses below of Matthew 24:40–42.

Then shall two be in the field; the one shall be taken, and the other left. Two women shall be grinding at the mill; the one shall be taken, and the other left. Watch therefore: for ye know not what hour your Lord doth come.

That is what we knew.
