

## **Rescue** by Lauren Daigle

This song speaks to what God is saying to us.

- God says you are not hidden
- God says you are not hopeless
- He says you are not forgotten
- He sends an army to rescue you
- He will find you in the middle of your darkness
- God will rescue you
- You are not defenseless
- God hears you
- He will never stop marching to rescue you
- God says He will reach you in the middle of your darkness time
- He will find you
- He will never stop
- He will be our armor
