

SEND IT FORWARD PROJECT

The packet contents will tell you what has happened and what is going to happen. This packet will allow you to be informed and know what to do going forward. I am sure you are experiencing trying times with all the people suddenly missing with no explanation. The contents will give you peace for today and much hope for your tomorrow. We have sent forward as much as we knew. We have prayed for you. There are page numbers for reading order.

As you complete each section answer these questions.

What did this section tell you about God?

What did this section say about you?

Any action required from you?
