

## SMALL GROUP STUDY

(IF SOME ARE BELIEVERS AND SOME ARE NOT)

1. NOWYOUKNOW is a great small group study with good questions and will help lead to a vision for thinking of others now and in the future. It should also help nonbelievers see what God's plan is for them.
  - a. Read sections as appropriate for the group, and make sure you leave time for group discussion. Everyone's answers are important as they are processing the message. Don't correct them all the time. As a leader, you will shut down future discussion.
2. Ask questions like, why do you believe that, or how did you come to that conclusion? Let them answer, very important. Let's see what the Bible says about that.
3. Ask for prayer requests, meet their need with prayer.
4. Start a group list of all people they would like to see come to Christ.
5. Pray and add to that list each time together.
6. Talk about how you could share the NOWYOUKNOW website to others.
7. Pick a time for the rollout of this outreach. It could be each week or a specific time.
  - a. Discuss options.
    - i. Print cards with website from project section.
8. Remember (Grace and Mercy always win over judgement)
